### BY-LAWS.

---

#### I. — *Membership.*

The present members of the Association are hereby made and declared to be members of the Association as a corporate body, and shall be enrolled as such by the Secretary.

Such membership shall continue until death, expulsion for non-payment of dues or otherwise, or resignation in writing signed by the member and sent to the Secretary or Treasurer.

Any member of the legal profession in good standing, practising in the Commonwealth of Massachusetts, may become a member by vote of the Association (or of the Executive Committee), upon recommendation of the Committee on Membership, and upon paying the annual dues of the current year within the period limited herein.

The Judges of the United States Courts residing in this State, the Justices of the Supreme Judicial Court, the Justices of the Superior Court and the Judges of the Land Court shall, during their respective terms of office, be honorary members of this Association, and exempt from dues.

Other honorary members may be elected by the Association.

Candidates for membership must be proposed in writing by two members of the Association. Nominations shall be sent to the Secretary, and by him referred to the Committee on Membership. This Committee shall report to the Executive Committee or to the Association the names of all candidates recommended for membership. Five negative votes in the Executive Committee, or fifteen negative votes in the Association, shall suffice to defeat an election.

#### II. — *Officers.*

The officers of the Association shall be a President, three or more Vice-Presidents, a Secretary, a Treasurer, and an Executive Committee, which shall consist of the President, the last ex-Presi-

dent, the Secretary, and the Treasurer, all of whom shall be *ex officio* members, together with twenty-one other members to be chosen by the Association.

No member shall be eligible for the office of President for more than one year in succession. No member shall be eligible for election to the Executive Committee, or appointment to any other standing Committee, for more than three years in succession. The President shall be chairman of the Executive Committee. There shall be upon the Executive Committee one member at least representing each county.

There shall be the following standing committees appointed annually by the President:

- Committee on Membership.
- Committee on Legislation.
- Committee on Legal Education.
- Committee on Judicial Appointments.
- Committee on Grievances.
- Committee on Nominations.

Special committees may be appointed by the President on vote of the Executive Committee.

### III. — *President.*

The President, or, in his absence, one of the Vice-Presidents, shall preside at all meetings of the Association. He shall appoint all standing committees except the Executive Committee within thirty days after the Annual Meeting and shall fill all vacancies.

### IV. — *Executive Committee.*

This Committee shall manage the affairs of the Association, subject to the provisions of the Constitution and By-Laws, and shall have all the powers of directors.

### V. — *Treasurer.*

The Treasurer shall collect and, by order of the Executive Committee, disburse the moneys of the Association, and shall keep proper books of account, make reports at the Annual Meeting of the Association, or from time to time to the Executive Committee, if so required, and discharge such other duties as shall be required of him by the Association or the Executive Committee.

He shall, at the expense of the Association, give a surety

company bond for the proper performance of his duties in such sum and in such form as shall be required by the Executive Committee.

The Treasurer's report shall be audited annually, before its presentation to the Association, by two members of the Executive Committee, appointed by the President.

#### VI. — *Secretary.*

The Secretary shall keep a record of the proceedings of the Association, and notify officers and members of committees of their election or appointment; shall issue notices of all meetings, and keep the seal of the Association, and discharge such other duties as shall be required of him by the Association, or by the Executive Committee. The Secretary shall have all the powers of a Clerk.

#### VII. — *Committee on Membership.*

The Committee shall consist of eleven members. They shall consider and pass upon all nominations for membership and shall report thereon to the Executive Committee or to the Association.

#### VIII. — *Committee on Legislation.*

The Committee shall consist of fifteen members. It shall be the duty of this Committee to consider and report to the Association, or to the Executive Committee, such amendments of the law as in its opinion should be adopted; also to scrutinize proposed changes of the law, and, when necessary, report upon the same; also to observe the practical working of the judicial system of the State, and recommend, by written or printed report, from time to time, any changes therein which observation or experience may suggest, and, when authorized by the Association or the Executive Committee, appear before the Legislature or its committees in behalf of the Association, to introduce, advocate, or oppose proposed legislation.

This Committee shall also consider all matters pertaining to uniformity of legislation and shall co-operate with the Commissioners on Uniform Legislation and others to procure the enactment of uniform legislation throughout the United States.

They shall make a report at the Annual Meeting of the Association on all matters of importance pertaining to legislation and law reform.

### IX. — *Committee on Legal Education.*

The Committee shall consist of five members. It shall be the duty of this Committee to consider and report matters pertaining to legal education and admission to the Bar, so that a high standard of legal attainment and character in the profession may be encouraged.

### X. — *Committee on Judicial Appointments.*

The Committee shall consist of nine members. It shall be the duty of this Committee to further in all proper ways the appointment of suitable men to judicial office, to the end that the office of Judge may be rendered one of dignity and respect, with proper emolument, and that lawyers of high character, sound learning, wide experience, and judicial temperament may be placed upon the Bench.

### XI. — *Committee on Grievances.*

The Committee shall consist of fifteen members. This Committee may receive and hear all complaints preferred against any member of the Bar for misconduct in his profession, provided the same be in writing, plainly and specifically stating the matter complained of, and subscribed by the complainant, and may in its discretion investigate misconduct in his profession of a member of the Bar of which no formal complaint has been made; and with the approval of the Executive Committee it shall take such action thereon in the name of the Association as may be deemed proper.

It shall have like power in the matter of expelling any member of the Association.

### XII. — *Committee on Nominations.*

The Committee shall consist of nine members. The Committee shall meet not less than thirty days before the Annual Meeting, and shall nominate at the Annual Meeting a President, Vice-Presidents, Secretary, Treasurer, and Executive Committee. They shall notify the Secretary of such nominations, so that the notice of the Annual Meeting may contain a list of such nominations.

Other nominations in writing may in like manner be made for any of such offices by not less than nine members of the Association.

### XIII. — *Meetings.*

The Annual Meeting of the Association shall be held in the month of September or October at such time and place as the Executive Committee shall determine.

Special meetings may be called at any time by the President or Executive Committee of their own motion; and shall be called by the Secretary upon the request of fifty members, in writing, specifying the purpose thereof. At such special meeting no business shall be transacted except such as shall be specified in the notice thereof.

The Executive Committee and the Committee on Legislation shall meet in joint session not less than two weeks before such Annual Meeting, and shall prescribe such subjects for consideration at the Annual Meeting as said committees shall deem advisable. Due notice of the time and place of the Annual Meeting shall be given to each member of the Association by a notice which shall specify the matters to be brought before the Annual Meeting, as ordered by said committees. The actual expenses of said Executive Committee and said Committee on Legislation, when certified by the chairmen of said committees, respectively, shall be paid by the Association.

Nothing herein contained shall prevent the consideration at the Annual Meeting of any other business that may be regularly brought before it.

Each county, city, or local Bar Association of this State may annually appoint delegates, not exceeding three in number, to attend the meeting of this Association. Such delegates, if not regular members of this Association, shall be entitled to all the privileges of membership at and during the said meeting, except that of voting.

### XIV. — *Quorum.*

At any meeting of the Association those present shall constitute a quorum. At a meeting of the Executive Committee or any standing committee whose membership exceeds ten, one-third shall constitute a quorum. Three members shall constitute a quorum of any committee whose membership is ten or less.

### XV. — *Dues.*

Each member shall pay five dollars to the Treasurer as annual dues and the same shall be payable on the first of January in each year.

Any member in arrears for more than one year shall be dropped from the roll of membership, but upon payment of arrears, and upon written application, may be reinstated by the Committee on Membership.

XVI. — *Elections.*

At each Annual Meeting there shall be elected the officers of the Association, who shall hold their offices from the close of one Annual Meeting until the close of the succeeding Annual Meeting, or until their successors are elected.

In case of a vacancy in any office it shall be filled by appointment by the Executive Committee.

XVII. — *Amendment of By-Laws.*

These By-Laws may be altered or amended by a vote of two-thirds of the members present at any Annual Meeting, or special meeting called for the purpose, but no such change shall be made at any meeting at which less than thirty members are present. Notice of any proposed change shall be contained in the call of the meeting.
